Subject: Attention: Mayor Craig Fletcher re: January 8th city council meeting

Hello Mayor Fletcher:

I would like to thank you for placing the subject of "Seven 50" on the agenda for the city council meeting of January 8th. I have requested to speak along with others who will be signing up as well.

It has been suggested that we offer the public a short, informational film on "Sustainable Communities" mirroring the objectives of the "Seven 50" group. The film is 10 minutes in duration and would be shown in advance of our speakers, time permitting. I offer that this would be left to your discretion and that of the other council members as well. I have attached the video for your review.

I am hoping that you had a very Merry Christmas, and wish you a Happy New Year as well.

Best regards,

Phyllis Frey
