Author: Craig Fletcher

Council Meeting Date: January 18th 2013

Priority 1 of 1

Title: Seven / Fifty (7/50)

Summary of your points for discussion: Seven / Fifty project, Seven counties for Fifty years is an program being presented to the Counties as a planning aid. I have only heard of this as a side conversation and we the City council need to have someone define the program in detail to us before we decide to opt-in or opt-out.

All agenda Additions - Public need or issue addressed: Each County, each School Board and each municipality within the County has the option to accept this program or reject it. We need to make that decision after hearing the comments from the Treasure Coast Regional Planning Councils that is sponsoring the initiative.

Statement of the proposed solution to the public need or issue:

New Business Only - Relevant City Charter, code references, legal: N/A

Backup - additional attached documentation includes:

Old Business Only - Dates of past discussions / decisions by Council relevant to the issue:
